

APPLICATION FOR ADMISSION

WELCOME

Dear Parents,

Welcome to Kosloff Torah Academy. We look forward to introducing you to the people and the program that make our school exceptional.

KTA is a unique blend of old and new, combining the years of experience and the sterling reputation for quality of Torah Academy Girls High School with the state of the art facilities and magnificent surroundings of our new campus. Today we will endeavor to give you a taste of the impressive opportunity that KTA can offer your daughter to receive the finest high school education in Limudei Kodesh and General Studies. At KTA, she will be challenged to develop her talents and leadership in an all-girls environment, to refine her character and deepen her commitment to Torah values, and to develop relationships with mentors and friendships with peers that will accompany her throughout her life.

We hope that you will give careful consideration to KTA and its unique program as you select a high school for your daughter. Please take a few moments to look through the materials we have prepared, and for more information, please take a look at our website at www.ktahs.org. We invite you to call us to schedule an appointment to visit the school and sit in on classes, and to talk with us further about what KTA can offer your daughter.

Thank you for joining us today. We wish you and your daughter success and much *bracha v'hatzlacha*.

Sincerely,

Rabbi Baruch Lichtenstein
Menahel
